

Hazard warning!

You take part in the Six Bridges Rally at your own risk. It is an adventure across Europe, where you are responsible for yourself at all times.

Six Bridges Rally UG assumes no liability or guarantee for your actions. You act at your own risk at all times.

You drive across Europe on partly unpaved roads. The stages are many hours long and are unknown to you. This increases the risk of accidents that can lead to very serious injuries or even death. Therefore, every participant understands and confirms by registering that this rally and participation in it involve potential dangers.
